Principal’s Report:

Welcome back to all students.

During the holidays we had some significant maintenance completed by the Department of Education. This included cleaning of sunshades, gutters and barge boards, and replacement of the colourbond roof on the hall. This is very welcome – hopefully it means the end of leaks, and the commensurate damage and inconvenience.

Our term will be, as always, very busy. Students in Year 8 and Year 10 are in the process of selecting subjects for 2016. Year 11 and Year 12 have examinations this term, and will all be working hard to do their best.

We are hosting Korean students in Week 3. This is a great cultural experience for them and for their host families. The group who came in 2014 were full of praise because of the efforts of all families. We are still to place a couple of boys; if you can assist, please contact Mr MacKinnon.

Arriving late to school – Please, unless it is an emergency, ensure your student is here on time. Our day starts at 8.12am, and roll call, assembly, PBL lessons and class time are all VERY IMPORTANT. Students need to be here all day, every day; this is a core factor in students doing well at school.

FEES: Term 3 fees are due. Please pay through our parent portal if possible. Should you have difficulties paying through our portal please contact the school for assistance.

Former Northlakes High student, David Hall, Para-Olympic champion in tennis, has been inducted in the International Tennis Hall of Fame on Rhode Island. We are very proud of his achievements. More information is on our website.

Jake Howden, an ex-student, performed on The Voice – http://www.9jumpin.com.au/show/thevoice/video/4343531535001/ We are very proud of him.

The school has a long history of nurturing talent, and it is great to see him on such a large stage! (Jake will be appearing again on Sunday night).

Year 7 Report
I hope everyone had a relaxing holiday! Please ensure you are ready for the new term by having an exercise book for every lesson and the correct equipment in your pencil case. It is each student’s responsibility to have these items every day. Also, it is very cold at the moment. The school uniform is a plain black jumper and is very easy to find in many clothing stores, or our school zip up jacket is available from our uniform shop for $40.
This term is very busy, like every other term at Northlakes High School. Please keep your ears open at assemblies to find out what activities are being offered that you might like to get involved in.

Everyone should have had a good look at their report for Semester 1 by now. Congratulations to the many students who have achieved their Personal Best across a number of subjects. If you are unhappy with your results then think of Term 3 as a new start. You can make improvements in your results for the Semester 2 report if you begin now. Attendance plays a key role in achieving higher results, as does paying attention in class and attempting all of the set work. Try your hardest and the results will follow.

KOREAN VISIT
We are looking forward to meeting the 25 Korean students who will be visiting in weeks 3 and 4 of this term. However, I still need families who are willing to host a Korean visitor. Host families are offered payment of $350 for the Homestay visit to partially cover costs of the students’ stay. This is a great opportunity to have a Korean student stay with your family and experience Australian culture and for your family to learn a little of theirs.

Please let me know as soon as possible if you are interested in being a host family. Also, those who have taken forms already, can you please get them back to me in the Language Centre by the end of this week at the latest.

Year 8 Report
Welcome back to another busy term. I would like to remind everybody of the importance of bringing the correct equipment to each lesson; including books and pens, in order to minimise the distractions inside the classroom. Protective equipment for practical lessons such as enclosed leather shoes and aprons are essential for all students to wear when participating in practical activities. Please also remember that the correct winter uniform must be worn; this includes plain black jumpers with no logo and plain black pants. If there are any difficulties in purchasing this uniform please call me so we can make further arrangements.

I would like to congratulate the many students who continue to receive Year Advisor’s Commendations. Please remember to bring your Classroom Commendations to me in the TAS Staffroom when you collect 5 across subject areas. Students can receive these Classroom Commendations for excellent results in Assessment Tasks and Examinations, participation in lessons and consistent application to classwork.

During the remainder of the year we will be organising an Anti-Cyberbullying/morale building day for all Year 8 students to participate in. I would like to encourage all parent/caregivers to take an active role in monitoring your child’s Internet usage. Although chat and social networking are great ways to build friendships and make new friends, issues have risen due to the incorrect use of social media by teens. Please remind your child that once a message, photo or video has been shared, they will not be able to control where it goes and who sees it.
On the 28th July at 6pm we will be holding a Subject Selection evening in the school hall for all Year 8 students. There will be a BBQ on the night; sausage sandwiches at the cost of $2.50 and cans of soft drink for $1.00. I hope to see all parents attend this evening with their child in order to support them in their subject choice, as this process is important for their success at school. Subject selection booklets have been sent home. Please bring them on the night and encourage your child to ask the teachers of each KLA questions to assist them in this decision making process. Please complete the back page of this booklet on the night, indicating the chosen subjects for 2016/2017 in order of preference. These forms are to be returned to the student window after the 28th of July and before the 7th August 2015. If students are selecting a subject with course fees, a minimum of 50% of that fee must be paid to ensure a placement in that subject. Payment can be collected on the night. Fee assistance is available to genuine cases of hardship. There are specific criteria to meet the requirements of ‘genuine hardship’. Please enquire at the Administrative Office for the appropriate form and to organise an interview.

Important dates to remember this term:
21st and 22nd July – Catch up immunisations from last year
28th July – Year 8 Subject Selection evening 6pm
18th August – P&C meeting 3:30pm

If you have any questions please contact me on 4390 0555 or email kerry.bissaker@det.nsw.edu.au

Year 10 Report

Term 3 has had a busy start and Year 10 students are working hard, participating in extra activities and giving their personal best. During Week 10 of last term, half yearly reports were issued. Please notify me if your child did not receive their report.

Next Thursday and Friday (Week 2, Term 3) Year 10 will be interviewed by staff here at NHS for Senior Subject Selection. It is important that your child attends these interviews. This week students were handed out forms for these subject selections and also given forms about their online task “All My Own Work”. If your child missed out on any of these days please ask your child to see myself or Ms Hewitt. The idea of choosing subjects has been quite daunting for many students and has caused stress for them. Please remind your child that there are so many options available for further education now. There are many questions that staff can hopefully help with about subject choices and requirements for Year 11 2016. At this stage, students now seem well on track for choosing their subjects for Year 11. Those moving on to senior years can start to organise ordering uniforms for next year. I will be organising a senior jacket that will be available by next winter.

Students must ensure that they complete ANY outstanding assessment tasks / N Award Warning letters from Semester 1. Students are reminded that when completing Stage 5 courses, it is mandatory to complete any required classwork and assessment tasks. I am available to help any students with concerns. As always, I am more than happy to talk to any parent/caregiver about any concerns relating to the Welfare of students. Please contact me on 4390 0555. I aim to respond to enquiries as soon as I can.

Have a happy and healthy Term 3. Stay Warm!

Year 9 Report

Our Year 9 Advisor is currently on Long Service Leave and will update parents/carers in our next newsletter.
Year 11 Report
No Year 11 report available at this time. Sorry for an inconvenience.

Year 12 Report
I would like to take this opportunity to welcome back all of the Year 12 students to what is going to be a very important third term. The Trial HSC exams will commence on Monday 27th July and conclude on the 7th August. This exam will, in most cases, be the last of the internal assessment tasks of the year, leaving only the external HSC exam to be completed. Parents and carers are encouraged to encourage their students to take the trial seriously and students should be using revision strategies that they have developed during the year. Strategies have been discussed with students throughout the year through several different workshops. The trial HSC will be the start of a very stressful period of time for the students in your care which will conclude in December when their HSC results are released. It is a time when a little TLC will go a long way.

Senior jackets have been ordered and should arrive in the next week or two.

Welcome to the Autumn Edition of the Epicentre Bulletin. We would like to welcome Mary-Anne and Bruce to our team. Mary-Anne will be working on programs and Bruce with young people. We would also like to congratulate Corrina our Youth Team Leader for winning the Central Coast region Youth Worker of the Year; a fantastic achievement for her commitment and dedication to helping young people. We are also very privileged to have one of the best teams of volunteers in the region. Our volunteers are here to help with your enquiries, Emergency Relief, EAPA vouchers, Community Restaurant, opportunities to work off government fines (WDO) and admin support. These services are the backbone of our centre.

New Programs this Term include Anger Management, Parenting Course, Domestic Violence group and we now have electricity vouchers.

Take a look at the new playground equipment we have built at Blue Haven Community Centre. Families will now be able to enjoy a modern play gym.

CCB (Child Care Benefit) is available through Centrelink. Your CCB is used to calculate and considerably reduce your daily fees making child care an affordable option.

Local Employment Access Project

Individual Appointments
Individual appointments are available at LEAP. We can work with you to help find and access employment and /or training.
Come and meet with the friendly LEAP team and we can work together to overcome challenges which are making it hard for you to move on with your life - particularly if these are effecting your employment or training options.

Training
Do you want a career in community services but not sure where to start? Currently taking expressions of interest.
• Offers 5 Units from Cert II Community Services and 7 units from Cert II in Skills for Work and Vocational Pathways
• Relaxed, flexible environment for students
• You may be eligible for fee exemption or a reduced fee
Currently running Aged Care and Disability Cert III Blue Haven Community Centre Monday through to Thursday, 9am to 4pm

Resume & Cover Letter Workshop - Need some help to get started with a cover letter and resume? 22nd July 10am-12pm

Practice Interview Morning - Need to brush up on your interview skills? LEAP will be holding another of these popular mornings.

Free graffiti buckets are available for community members wishing to remove graffiti from their property. Call us on 4390 7888 or come into the Centre to organise a bucket.

Time Banking
Do you wish you had an extra pair of hands to help out? Are you keen to help in your community or perhaps already do so by volunteering with an organisation? Then Timebanking is for you. Timebanking is an online community that provides support and is currently being utilised in 70 communities across NSW. It’s as simple as volunteer an hour, receive an hour: by giving one hour to helping another member like having a cuppa and a chat or teaching someone how to crochet or helping in the garden; you get one hour of time which can be used to receive services that are of personal value such as dog walking, ironing, painting, admin, language tuition…. you’re only restricted by your imagination.
To learn more go to www.timebanking.com.au or pop into the centre.

Sunny Seed Garden Project recently harvested a variety of fruit and vegetables and is in the process of planting its winter crop. If you’re interested in gardening and would like to get involved, please call 4390 7888.
The garden also sells its fresh produce to the local community for very low prices.

Financial Counselling
Are you finding it difficult paying your bills? Financial counselling is a free community service available to support people experiencing financial difficulties. The financial counsellor may help you to understand your rights and responsibilities, find options to manage financial difficulties & negotiate with lenders. They can also offer budget counselling & information sessions. Phone: 4329 4477 for more information or to make an appointment.
