POLICY STATEMENT: The Strategic Directions of Northlakes High School’s School Plan 2015 – 2017 targets excellence in Student Learning, Excellence in Teaching and Leading. Resources in the school are allocated equitably, to ensure a learning environment of high expectations by supporting quality professional learning for staff and a wide range of educational structures and systems.

APPLICABILITY: All staff and students at Northlakes High School

D.E. POLICY/PROCEDURE REFERENCE:
• School Excellence Framework (2014)
• Wellbeing (2015)
• BOSTES

DEFINITIONS:
• Excellence in Student Learning – Northlakes High School provides a learning environment that has high expectations and actively builds educational aspiration
• Excellence in Teaching – All staff have high levels of commitment and professionalism
• Leading – All staff are dynamic and collaborative, committed to creating an engaged and collegial community of learners

RATIONALE: This Policy is intended to:
• Ensure all school resources are directed to meet the diverse needs of our school community
• Ensure all students have the opportunity to access a wide range of educational experience
• Ensure all staff are leaders in education
• Develop the capacity of all members of the school community through strategic use of resources

PROCEDURES: Refer to:
• School Management Plan 2015 – 2017
• Northlakes High School Wellbeing Policy (2015)
• AVID (2015)
